SECTION I

Match Operations

01

Player reporting, availability, substitute usage and roster continuity.

01

MATCH REPORTING

- Each player must report at least 15 minutes before their scheduled match time.
- A player who has not reported within 15 minutes after the scheduled start time may lose their match slot.
- The admins may arrange a substitute or replacement. A reasonable delay may occur while a suitable player is identified.

02

AVAILABILITY

- All registered players are expected to be available for their scheduled matches.
- In a genuine emergency, the player must DM the admins as soon as possible.

03

SUBSTITUTE RULES

CRITICAL RULE

- Each player may take a substitute for a maximum of two games during the tournament.
- Substitute requests must be submitted at least four hours before the scheduled game time.
- All substitutes will be allocated and approved exclusively by the admins.
- Captains and players may not directly bring a player of similar MMR, a player from the same tier, or any other replacement without prior admin approval.
- A player may request a specific substitute, but the request is confirmed only after approval from the admins.
- In the event of a player no-show, some delay should be expected because a suitable substitute may not be available immediately.

04

PERMANENT REPLACEMENT

- If a player is unavailable for multiple matches, cannot continue in the tournament, or requires a substitute beyond the two-game limit, the admins may appoint a permanent replacement.
- Permanent replacements will be selected by the admins with consideration for player tier, MMR and team balance.

SECTION II

Communication & Identity

Players must remain reachable, use verified primary accounts and maintain respectful in-game identities.

02

05

DISCORD & COMMUNICATION

- Discord is mandatory for all players.
- Players must remain reachable before and during their scheduled matches.
- A working microphone is strongly recommended for team coordination.
- Players who are unreachable may lose their slot or be replaced by the admins.

06

ACCOUNT RULES

- Players must use their primary account.
- Rank must be unlocked and visible.
- Smurfing is strictly prohibited.
- Any player found smurfing will be immediately disqualified from the event.

07

STEAM NAME RULE

- Hateful, toxic, racist, offensive or disrespectful Steam names are strictly prohibited.
- Players must use respectful Steam names during the event.
- Admins may require a Steam name change before a match. Refusal to comply may result in a warning or disqualification.

ID

INTEGRITY STANDARD

Account verification and communication access may be checked at any time. Players should resolve account visibility, microphone and Discord issues before match day.

SECTION III

Match Rules

Core match format and pause controls apply to every scheduled BPCL game.

03

08

GAME MODE

- Matches will be played in Captains Mode.
- The captain will be selected mutually by the team members or decided according to admin instructions.

09

PAUSE RULES

- Each team is allowed a maximum of three pauses per match.
- The total pause time available to each team cannot exceed 10 minutes.
- The reason for every pause must be communicated to the moderator or admin.
- Unnecessary pauses or pause abuse may result in penalties.

CM

CAPTAINS MODE

3

PAUSES PER TEAM

10 MIN

TOTAL TIME PER TEAM

**PAUSE DISCIPLINE**

Pause reasons must be communicated immediately. Admins may penalize deliberate stalling, repeated unnecessary pauses or attempts to disrupt competitive flow.

SECTION IV

Conduct & Fair Play

Competition must remain intense, professional and respectful. Live-game misconduct carries direct consequences.

04

Live-game trash talking is strictly prohibited.

0

All-chat trash talk will carry a time penalty in the player's next scheduled game. Serious or repeated toxicity may result in disqualification.

10

PLAYER BEHAVIOUR

- Toxic behaviour is strictly prohibited.
- When admins receive a complaint, the incident will be reviewed and a warning may be issued.
- A player may receive up to two warnings. If the behaviour does not improve, the player will be disqualified from the event.
- Serious live-game misconduct may receive an immediate penalty or disqualification under Rule 11.

11

LIVE GAME CONDUCT & TRASH TALKING

CRITICAL RULE

- Trash talking during a live game is strictly prohibited.
- Any player who trash talks in all chat will receive a time penalty in their next scheduled game. The duration and method of enforcement will be determined by the admins based on the severity of the incident.
- Trash talking, abuse or toxic behaviour directed at teammates or opponents during a live game may lead to disqualification.
- Repeated or serious misconduct may be penalized without prior warning.

TIME PENALTY The penalty applies to the player's next scheduled game. Admins determine the duration and enforcement method after reviewing the incident.

SECTION IV CONTINUED

Respect the competition.

Friendly interaction is permitted, but targeted taunting, abuse and repeated disrespect are not acceptable tournament conduct.

04

12

ALL CHAT & TAUNTING

- Friendly all chat is allowed.
- Taunting, abusive or toxic all chat is prohibited.
- Comments such as "EZ", "?" or similar remarks may be treated as trash talk and penalized under Rule 11.

13

TIPPING & VOICE LINES

- In-game tipping is allowed.
- In-game voice lines are allowed.
- Players are expected to keep the competitive spirit fun and respectful.

14

RESPECT POLICY

- Players must respect all participants, regardless of rank or skill level.
- Toxicity, harassment, personal attacks or repeated disrespect toward players, captains, admins or moderators will not be tolerated.

Competitive, not personal.

Use game mechanics, strategy and skill to gain an advantage. Do not use abuse, harassment or targeted humiliation.

GG

SECTION V

Administration

Emergency requests and all tournament disputes will be handled by the BPCL administration team.

RULE 15

Emergency Cases

- In genuine emergencies, players may DM the admins and request support.
- The admins will review the circumstances and make the final decision.

RULE 16

Admin Decision

- The admins' decision will be final in all cases.
- This includes match disputes, replacements, substitutions, toxicity reports, smurfing checks, time penalties, disqualifications and all tournament rulings.
- Players must cooperate with schedules, moderators and tournament instructions.

PLAY HARD.
PLAY FAIR.

Please cooperate with match schedules, moderators and tournament rulings so Season 2 can run smoothly for every player and team.

GOOD LUCK TO ALL PLAYERS.
